

GCAT Registration number

Date of registration

To be filled by GCAT

REGISTRATION AND REQUEST

Please fill this form with your personal information and sample and data requirement .

Send this form filled to gcatbiobank@imppc.org with required project documentation (i.e. Scientific project; Ethics Committee report of the applicant institution and Financial documentation) for evaluation. You will receive a Registration Number to follow up your application.

Once evaluated, in case of acceptance, final request details and a transfer agreement will be signed between the two centers.

Once the agreement is signed, we will proceed sending the samples and data.
